Client Problem Statement Template:

Create a problem statement to understand your client point of view. This is a **social sharing app** that connects users with diet & nutrient coaches. These coaches provide them with suggestions and nutrition tips.

So, if you're an entrepreneur who is looking to **develop a health & fitness App**, then this article will provide you with a complete guide and professional's tips on how to do it. For people with chronic diseases, healthy eating can help manage these conditions and prevent complications.

Problem Statement (PS)	I am (Client)	I'm trying to	This section discusses	Our Goal	Which makes me feel
PS-1	Person	Lose weight, Healthy and Get stronger	Related work in four different areas Personalized nutrition, food recommender systems, behaviour change and evaluation of recommender systems	To show how long term usage of a nutrition assistance system influences the users a)physique b)nutrition behaviour c)system interaction	That in future there may be a better solution for reduce calories and not to affected any infection
